SeeYouThen, Inc. releases version 2.0 of SeeYouThen.COM

Brighton, Michigan, USA -- 18 Mar, 2010 – SeeYouThen, Inc. today announced the release of version 2.0 of SeeYouThen.COM, its popular online life event photo sharing and exchanging application.

What is SeeYouThen.com?

SeeYouThen's online member community of private social websites called "exchanges" allow groups of people to quickly come together to share and exchange their own content like high resolution photos, YouTube videos, web pages, comments and personal perspective of group events and activities.

Wedding Example: SeeYouThen has helped hundreds of brides and grooms collect 1000's of high resolution photos in their own private personalized website from their friends, family and guests at all their wedding events.

- Exchange owners can easily build Web Pages to distribute information about their group and event activities.
- They can easily invite friends and family to create profiles and add content to their private social website exchange.
- Exchange owners can choose from over 125 different designs, many of which have matching invitations, save the dates and thank you cards from popular wedding invitations sites.
- In a private social website, the exchange owners can invite their family and friends to actively participate in all the events including bridal showers, parties, and the main festivities.

What is new in SeeYouThen Rev 2.0?

SeeYouThen Rev 2.0 is a complete rebuild from the bottom up that has added 100's of social features and upgrades to enhance the fun.

A few of the highlights of this release includes:

- Create an Exchange for all your groups and life events! You can now create exchanges for all types of groups and group activities such as Weddings, Class Reunions, Family Reunions, Major milestone events, Bar/Bat Mitzvahs, Corporate Events, Public Events or Youth Sports Teams. "SeeYouThen also makes a wonderful social website to join together like minded groups for businesses, churches, families, or anything you can imagine."
- Personal Profile Area: Every User now has a personal profile area that they can maintain relationships with friends, store unlimited photos of their favorites and privately message with their friends and family.
- Theme Editor: Not only can you pick from over 125 themes in the SeeYouThen theme library, you can modify them to your specific color schemes, designs or graphics. By simply changing the colors and or graphics you can completely configure your exchange to your specific taste.
